

**Irakli Javakhishvili**

**Position**

Research-fellow of the Complex Laboratory of Geological Research  
of the Alexandre Janelidze Institute of Geology

**Scientific/academic degree, title**

MSc in Geology, Ph.D student.

Dissertation topic - Regional and Contact Metamorphism of the Dizi Series.

**Contact information**

Phone: 577 566 107

Email: [irakli.javakhishvili@tsu.ge](mailto:irakli.javakhishvili@tsu.ge)

**Education**

- 2010-2014 – Iv. Javakhishvili Tbilisi State University, Faculty of Exact and Natural Sciences,  
Bachelor of Geology;
- 2016-2018 – Iv. Javakhishvili Tbilisi State University, Faculty of Exact and Natural Sciences,  
Master of Geology;
- 2018-2022 – Iv. Javakhishvili Tbilisi State University, Faculty of Exact and Natural Sciences,  
Doctoral Student.

**Employment history**

- 2013-2014 – Assistant in the Regional Geological Mapping Scientific-Research Department of the Al. Tvalchreidze Caucasus Institute of Mineral Resources.
- 2014-2015 – Laboratory Technical specialist of the Al. Janelidze Institute of Geology.
- 2015-2016 – Assistant in the Department of Petrology, Volcanology, Mineralogy and Lithology of the Al. Janelidze Institute of Geology.
- 2016-up to present – Specialist-operator of the Complex Laboratory of Geological Research of the Al. Janelidze Institute of Geology.
- 2019-up to present – Research-fellow of the Complex Laboratory of Geological Research of the Al. Janelidze Institute of Geology.

**Research interests**

Petrology, in particular Jurassic magmatism as well as regional and contact metamorphism; Geochemistry and geochronology.
