

Manana Togonidze

Position

Alexandre Janelidze Institute of Geology of Ivane Javakhishvili Tbilisi State University, Department of Petrology, Volcanology, Mineralogy and Lithology, Senior scientist.

Scientific/academic degree, title

Candidate of geological-mineralogical sciences (1973). Dissertation topic – “Petrology of the Gorabi Intrusion”.

Contact information

E-mail: odudauri@gmail.com

Education

1955-1960 - Polytechnic Institute of Georgia, engineer-geologist.

Employment history

1963-1978 – Junior scientist of the Department of Minerals of the Alexandre Janelidze Geological Institute;

1978-2009 – Senior Scientist of Department of Isotope Geochronology of Alexandre Janelidze Geological Institute;

2009-2015 – Senior Scientist of Department of Mineral Resources, Geochemistry and Isotopic Geochronology of Alexandre Janelidze Institute of Geology of Ivane Javakhishvili Tbilisi State University;

2015 - up-to present – Senior Scientist of Department of Petrology, Volcanology, Mineralogy and Lithology of Alexandre Janelidze Institute of Geology of Ivane Javakhishvili Tbilisi State University.

Research interests

Petrology and Isotopic Geochronology of magmatic rocks
